

LIST OF FIGURES

FIGURE NO.	TITLE	PAGE
1.1	Fluorescence and phosphorescence phenomena	.... 28
1.2	Radiative transitions	.... 29
1.3	Non-radiative transitions	.... 30
1.4	Configuration co-ordinate curve model	.... 31
1.5	Energy band model	.... 32
1.6	Schon-Klasen's model	.... 33
1.7	Lambe-Klick's model	.... 34
1.8	Williams and Prener's Model	.... 35
2.1	Plot of rise in temperature versus time of heating	.... 51
2.2	Experimental set up for thermoluminescence studies	.... 52
2.3	Photograph of experimental set up used in thermoluminescence studies	.... 53
2.4	Circuit diagram of D.C. power supply and PM tube	.... 54
3.1	Glow curves of CaO : Bi phosphors	.... 88
3.2	Glow curves of CaO : Mn phosphors	.... 89
3.3	Glow curves of CaO : Bi : Mn phosphors	.... 90
3.4	Glow curves of CaO : Bi : Mn phosphors	.... 91
3.5	An isolated glow peak showing different parameters and isolation by method of Bettinalli et.al.	.... 92
4.1	Diffraction pattern of CaO without flux ( $S_{01}$ )	... 127
4.2	Diffraction pattern of CaO with flux ( $SO_2$ )	... 128
4.3	Diffraction pattern of CaO : Bi with flux ( $S_7$ )	... 129
4.4	Diffraction pattern of CaO : Mn with flux ( $S_{10}$ )	... 130

....

## List of Figures (contd.)

FIGURE NO.	TITLE	PAGE
4.5	Diffraction pattern of CaO : Bi : Mn with flux (S <sub>16</sub> )	.... 131
4.6	Diffraction pattern of CaO : Bi : Mn with flux (S <sub>24</sub> )	.... 132
4.7	Variation of XRD intensity with Mn concentration	.... 133
4.8	Variation of XRD intensity with Bi concentration	.... 134
4.9	Variation of XRD intensity with Mn concentration in presence of Bi	.... 135
4.10	Variation of XRD intensity with Bi concentration in presence of Mn	.... 136
4.11	Variation of lattice constant with Bi concentration	.... 137
4.12	Variation of lattice constant with Mn concentration	.... 137
4.13	Variation of lattice constant with Mn concentration in presence of Bi	.... 138
4.14	Variation of lattice constant with Bi concentration in presence of Mn	... 138
4.15	EPR spectra of CaO phosphor without flux (S <sub>01</sub> )	.... 139
4.16	EPR spectra of Cao : Bi phosphors (S <sub>3</sub> )	.... 140
4.17	EPR spectra of CaO : Bi phosphors (S <sub>7</sub> )	.... 141
4.18	EPR spectra of CaO : Mn phosphors (S <sub>8</sub> )	.... 142
4.19	EPR spectra of CaO : Mn phosphors (S <sub>14</sub> )	.... 143
4.20	EPR spectra of CaO : Bi : Mn phosphors (S <sub>17</sub> )	.... 144
4.21	EPR spectra of CaO : Bi : Mn Phosphors (S <sub>21</sub> /S <sub>28</sub> )	.... 145
4.22	Energy level diagram of Mn <sup>2+</sup> (d <sup>5</sup> )	.... 146
4.23	Crystal structure of CaO	.... 147
5.1	Energy levels of the free Bi <sup>3+</sup> ion	.... 156
