

C E R T I F I C A T E

This is to certify that the dissertation, entitled "Growth of Single Crystals In Silica Gel" is worked out by Smt. Khatkhede M. G. for the partial fulfilment of M. Phil. degree in Physics of Shivaji University, Kolhapur. She has completed here work under my supervision. Her work is original and genuine, and it has not been submitted for other degree or diploma, to any other university
