

ACKNOWLEDGEMENTS

I am highly indebted to Dr.M.K.SOUDAGAR, Reader in Physics, Shivaji University, Kolhapur, for his invaluable guidance and constant encouragement throughout the progress of my research work.

I express my sincere thanks to the Vice-Chancellor and the Registrar of Shivaji University, Kolhapur. I am also grateful to Prof.K.L.Marayana, the Head of Physics Department of this University for providing me all the facilities including WIPRO PC available in the Department of Physics, Shivaji University, Kolhapur.

I am thankful to Prof.R N PATIL, for his kind help during the course of my work.

I would like to extend my thanks to Prof.S.S.Bodas, Head of Physics Department, Willingdon College, Sangli, my colleagues Shri T.P.Shinde, Shri S.A.Deshpande, Shri M.M.Tonape and my friend Shri S.B.Kamble for their kind cooperation and encouragement.

I must express my gratefulness to my father, mother and brother whose love has been a continuous source of inspiration for me right from the beginning of this work.

At last my thanks are due to Shri Kumbhar for his efficient typing of this dissertation in time.
