

## ACKNOWLEDGEMENT

I am deeply indebted to Dr.N.S.Dhayagude, Head of the Department of Physics, D.B.F.Dayanand College of Arts & Science, Solapur, for his valuable guidance, keen interest, patient encouragement and motivation throughout this work. I would like to record my grateful thanks to him.

I wish to express my deep sense of gratitude to Shri Dev Raj Gupta, Local Secretary of Dayanand Institutions, Solapur and Dr.M.K.Zambre, Principal, D.B.F.Dayanand College of Arts & Science, Solapur, for providing me laboratory facilities of the institute for carrying out experimental work.

I am thankful to Principal S.V.Khanapure, Sangameshwar College, Solapur for the academic support provided throughout the course.

I am also very much thankful to Shri S.R.Kavara, Head of the Department of Physics and Shri M.V.Panchabhai, Head of the Department of Electronics, Sangameshwar College Solapur, for encouraging me at every stage of my work and for providing laboratory equipments.

I am much obliged to Dr.V.N.Bapat, Health Physics Division, Bhabha Atomic Research Centre, Bombay for the valuable help during experimental work.

I also express my sincere thanks to Mrs. V.N.Dhayagude <sup>3</sup> without her valuable contribution, the present form of the thesis would not have been possible.

I am specially thankful to Mrs. V.A.Joshi of Deptt. of Physics, Dayanand College, Solapur, for her help and valuable assistance during experimental work. Help extended by her enabled me to carry out experimental work smoothly.

Author is also thankful to Head of the Department of Microbiology, Shri M.S.Shejul for providing the uv source.

I am thankful to Shri D.V.Sutrave, the Head of Electronics Dept., Dayanand College, Shri H.N.Vaidya for their timely help.

It is not possible to forget the encouragement given to me by Prof. P.B.Joshi, Head of the Dept. of Physics, Post-Graduate Teaching Centre, Shivaji University, Solapur

I also express my thanks to Head RSIC, I.I.T., Powai and Head of the Department of Physics, Pune University, Pune for providing XRD analysis.

No words are enough to express my heartiest gratitude to my parents for the inspiration given to me. This dissertation would not have seen the present form without patient co-operation of my kids and wife.

My thanks to Mr. Jayajet Patwa for quality photograph.

Thanks are due to Shri R.G.Shaikh for tracing of graphs.

I am thankful to Shri N.R.Deshpande for neat typing.
