

*ACKNOWLEDGEMENT *

I am wholeheartedly indebted to Dr. N.S. Dhayagude, Head of Department of Physics, D.B.F. Dayanand College of Arts and Science, Solapur, for his invaluable guidance and encouragement throughout this work. I would like to record my grateful thanks to him. 9

I am grateful to the Local Secretary Shri. Dev Raj Gupta of Dayanand Institution, Solapur, for his advisory interest and encouragement in the work and also blessings.

I am indebted to Principal Dr. M. K. Zambare of D. B. F. Dayanand College of Art's and Science, Solapur, for extending necessary facilities. I wish to express deep sense of gratitude towards Shri. B.A. Managoli Ex. Head of Department of Physics and Electronics of my parent College, for the encouragement given in pursuing the work. I am also indebted to Mrs. V.N. Dhayagude, Lecturer in Physics of my parent college, for useful discussions and suggestions.

Author is thankful to Shri M.S. Shejul, Head of Microbiology dept, Shri H.K. Sadafulle, Head of Chemistry dept. and Shri. D.V. Sutrave, Head of Electronic dept., for providing certain laboratory facilities.

Author is thankful to Dr. P.B. Joshi, Head of Physics dept., P.G. Centre, Solapur for providing high voltage probe, and to Dr. N.N. Maldar. Head of Chemistry Dept., P.G. Centre Solapur for providing furnace facility in the beginning of the experimental work. I am grateful to Dr. R.K. Sukhatnar, Head of Geology Dept., P.G. Centre Solapur for making ASTM file records available. 9

Author is thankful to Prof. R.N. Patil and staff of
Physics Dept. Shivaji University for encouragement and necessary
help given during work.

Author wishes to record his gratefulness towards the
authorities of Health Physics Division BARC Bombay in fabrication
of linear temperature programmer done by earlier workers of
our research laboratory.

I am thankful to D.K. Dixit of Shilpa Electronics, Solapur
for design of transformer used in wide band amplifier. I wish
to record my appreciation to Shri Jayajit Patwa for Photographs
of required accuracy. I would like to record gratefulness to the
Director, NIO, Goa, for making the XRD facility available. Author
is also thankful to Shri. R.R. Nair, Head, GOD section, Shri.
G.A. Prabhu, Shri. G.H. Ranade of NIO, Goa, for providing XRD-
facilities and help given during the XRD- analysis.

It is not possible to forget the generous help extended by
Shri. M.P. Gehdoo of Chem. dept. Thanks are also due to
Mrs. V.A. Joshi for the co-operation given during the experimental
work.

I am thankful to my colleagues of the department for the
co-operation given during the work. The assistance given by
non-teaching staff of Physics Dept. of my college is valuable.
I am also thankful to my parents and my wife Anita, for the moral
support and co-operation given during this work.

I am thankful to Mrs. R.N. Deshpande for the neat and careful
typing of the dissertation work.
