

C E R T I F I C A T E

This is to certify that the dissertation entitled " Preparation, characterization and Study of D.C. Electrical and Magnetic Properties of Aluminium Substituted Cu-Co Ferrite System " worked out by Miss. R.D. Jakati for the degree of Master of Philosophy of the Shivaji University, Kolhapur contains her own work and is original in nature. She has worked under my supervision for a period as per the requirement of the M.Phil programme of this university.

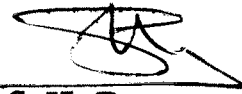

Place : Kolhapur

Dr. B.V. Khasbardar.

Date : 09-09-1996
