

A C K N O W L E D G M E N T

I express my deep sense of gratitude to Dr. B. M. Sawant, Reader in Chemistry, Shivaji University Kolhapur, For guiding and successful completion of this research work and Encouragement throughout this work. I thankful to Dr. D. S. Ambardekar, Professor and Head of the Department of Chemistry for providing me all sorts of necessary facilities for completion of this work.

I am thankful to all the members of teaching and non-teaching staff of this department for their valuable co-operation from time to time.

I also thank teacher fellows Shri D. L. Choudhari and V. S. Vermune and V. R. Bondge for their co-operation.

I express my deep sense of gratitude towards Shri Keshavraoji Dhondge, Founder and Administrator of Shivaji Education Society Kandhar and Shri Gurunathraoji Kurude, Secretary, Shivaji Education Society Kandhar and Principal M. V. Shendge Shri Shivaji College, Kandhar for deputing me for M. Phil Course and granting me study leave.

Thanks are due to Shri S. N. Kanitkar, Head of microbiology department Willingdon College Sangli for his valuable help in completing microbiological test and photographic work.

My earnest thanks are also to my wife for giving me cheerful and heartfelt help at various stages of this work.

Last but not least, I thank authorities of University Grants Commission, New Delhi for sanctioning me teacher fellowship.

Department of Chemistry
Shivaji University,
K O L H A P U R

(V. R. Bhange)
