

## **ACKNOWLEDGEMENTS**

At the outset, I would like to express my thanks and gratitude to my M.Phil. guide **Dr. A.K.Sharma** for accepting me as a student though I was new to this field. During the course of this work, I have drawn upon both the knowledge and experience of Dr. A.K.Sharma. His constant encouragement, optimism and perfectionism towards research have left a deep impression on me. I thank him for critically going through the manuscript and making several useful suggestions.

I am specially thankful to **Prof.R.V.Bhonsle** who has encouraged me throughout the year to do new work in the field of research. He has also spent lot of his precious time to give suggestions about designing, constructing and measurements of the antenna array and writing the dissertation. From day to day discussions I was immensely benefited from Prof.R.V.Bhonsle.

I am very much thankful to the Head of the Physics Department, **Prof. M.K.Soudagar** for his co-operation and “ready to help” attitude towards me.

Late **Prof. S.A.Patil's** co-operation will remain cherished in my memories, he co-operated with me till his death.

I am very much thankful to **Shivaji University** and **Physics Department** for Sanctioning the amount to construct the antenna array.

Thanks are also due to the entire teaching and non-teaching staff of the Physics Department for rendering me their help as and when required.

I am thankful to **University Grants commission** for sanctioning me Fellowship to do M.Phil. under Faculty Improvement programme.

I am thankful to **Indian Institute of Geomagnetism, Mumbai** for providing the Riometer to the Physics Department to study the cosmic radio noise absorption.

My sincere thanks to the chairman, Directors and Governing body members, Principal and entire staff of **J.S.S. Science College, Gokak**, in which I am serving as a Sr.Scale Lecturer.

I am very much thankful to **Shri.R.S.Vhatkar**, who has co-operated with me through out the year for my M.Phil.

designing, construction and dissertation work.

My thanks are also to **Shri. R.S.Kaulgud** and **Shri.P.T.Patil** for their co-operation.

I sincerely appreciate Mrs. Nafeesa. A.Naikwade for the faultless and speedy typing.

I take this opportunity to express my gratitude to my Mother, Brothers and Sisters for their blessings, love and support during the course of the present work.

My appreciation is due to my wife Nirmala for co-operation and great patience during the course of this work.

My thanks are also to all my friends, who have helped me directly or indirectly.
