

ACKNOWLEDGEMENT

I am deeply indebted to my research guide Dr. B.K. Chougule for his invaluable guidance and consistent encouragement through out the present investigation. For me this M. Phil. Programme is an experience to be cherished.

I thank the management, Principal and the colleagues of Tilak High School and Junior College, Karad for their consistent encouragement.

I am grateful to Prof. M.K. Soudagar, Head, Department of Physics; Prof. S.H. Pawar, Dr. Vijaya Puri, Dr. P.S. Patil and Dr. A.V. Rao for their timely help during my course.

I am grateful to Dr. S.M. Kulkarni and Mr. Sachin Kulkarni for their assistance in getting SEM and IR data of my samples from Indian Institute of Science, Bangalore. I am also thankful to Kedar Kulkarni, Anand Jadhav and Yuvaraj Sudake for their assistance.

In the debt of my gratitude I owe the lion's share to DR. Mrs. K. K. Patankar, Mr. H. B. Puthan, Mr. V.L. Mathe, Mr. S.R. Kulkarni, Mr. S.L. Kadam and Mr. S.B. Patil, without whose precious help and assistance, it would not have been possible for me to complete my work. They stood by me in all the times.

My thanks are also extended to non teaching staff of Physics Department and USIC, Shivaji University, Kolhapur for their co-operation.

It would have been very difficult for me to complete the course without the love and affection showered on me by my in-laws, parents and especially my grandmother and brother who have been, a constant source of inspiration throughout my life.

Finally, I take this opportunity to thank all those who have helped me directly or indirectly.

Mrs. M.M. Mallapur
