

List of Publications

- 1) Synthesis of N-propylamino-2,5-dimethyl-3-phenyl indole
J. Indian Chemical Society
Revised and communicated July 1987.

(Paper accepted for presentation at Sixth Annual Conference of
"Indian Council of Chemist" held at Madurai
on Dec. 27-29, 1986).
- 2) Synthesis of N-propylamino-2,3-dihydro-5-methyl indoles
J. Indian Chemical Society
Communicated March 1987.

(Paper presented at Symposium on some important aspects of
chemical education)

" Dialogue between industry and chemistry"
held at the New College, Kolhapur on Feb.15, 1987.
- 3) "Synthesis of N-propyl amino, 2 methyl 3-phenyl indole"
J. Shivaji University, Kolhapur Dec.1986 (communicated)
- 4) "Mass spectral study of some Indole derivatives"

Paper presented at symposium on some important aspects of
chemical education, " Teaching of Modern Concept in Chemistry"
held at Rayat Shikshan Sanstha's Science College, Satara on
29th March 1987.
