

ACKNOWLEDGEMENT

I would like to express my deep gratitude to Dr. J.B.Patil, M.Sc.,Ph.D. Lecturer in Organic Chemistry, Department of Chemistry, Shivaji University, Kolhapur for his constant encouragement, most helpful comments and generous and most valuable guidance, without which this work would not have been possible. I shall ever remain grateful to him.

My sincere thanks are to Dr. M.H.Jagdale, Professor and Head, Department of Chemistry, Shivaji University, Kolhapur for the inspiration and providing the facilities during work.

I am also grateful to the management of the Rayat Shikshan Sanstha, Satara and Principal, S.G.M.College,Karad for granting me permission to complete M.Phil. course.

I must mention my sincere thanks to the University Grants Commission New Delhi for awarding me a Teacher fellowship for one year.

I believe it as my pleasant duty to offer thanks to my affectionate friends Shri R.H.Patil, Shri M.K.Jagtap, Shri A.R.Patil, Shri D.V.Ghorpade and Shri M.D.Mali for their cooperation.

No words^{are} adequate to express my heartfelt gratitudes to my wife Mrs. Sharda Dange, whose active encouragement inspired me to complete this dissertation.

Last but not least, thanks are due to my colleagues and friends for their encouragement and good wishes.

Kolhapur.
July, 1987.

(S.S. Dange)
