

ACKNOWLEDGEMENT

While presenting the dissertation, I am very much happy to acknowledge my teacher Dr. D. T. Shirke, Professor and Head, Department of Statistics, Shivaji University, Kolhapur whose inspiring guidance, constant encouragement, unfailing patience and kind cooperation at every stage enable me to complete the proposed work. I am grateful to him for providing me the necessary facilities.

My gratitudes are also towards Dr. R. N. Rattihalli, Dr. S. R. Kulkarni, Dr.(Mrs.) H. V. Kulkarni , Dr. D. N. Kashid, Dr. A. A. Kalagonda for their guidance and cooperation.

I also thank the authorities of Janata Education Society and the Principal Dr. M. L. Hongekar, former Principal Dr. H. V. Deshpande, V. K. Maydeo, Ajara Mahavidyalaya, Ajara for their encouragement.

I am thankful to my friends M. K. Patil, S. B. Mahadik, C. S. Kakade, V. B. Ghute, A. N. Basugade, S. H. Patil, Miss. A. T. Kamble for their unforgettable company during the course. I would also like to thank non- teaching staff of the department for their help.

I am indebted to my wife Utkarsha, daughter Sanskruti and parents for their patience throughout my study.

Department of Statistics
Shivaji University, Kolhapur.
