

ACKNOWLEDGEMENT

It gives me a great pleasure to express my sincere thanks with deep sense of gratitude to Dr. S. R. Kulkarni for valuable guidance and providing me an environment of complete freedom for my dissertation work. This work would not have been possible had it not been for his constant encouragement.

I am very much thankful to Dr. R. N. Rattihalli, Head, Department of Statistics, Shivaji University, Kolhapur for valuable suggestions and co-operation.

I am grateful to Dr. D. T. Shirke, Dr. (Mrs.) H. V. Kulkarni, and Mr. P. Y. Patil for their Valuable guidance and co-operation.

I thank to all my friends in the Department for their co-operation and help which I received from them during the course of work throughout.
