I certify that I have been supervising the work of Shri V.A.Panaskar on "COMPARATIVE STUDIES ON THE COWPER'S GLANDS OF SOME MAMMALS" for the degree of MASTER OF PHILOSOPHY in Zoology of Shivaji University, Kolhapur. This Dissertation or part of it has not submitted to M.Phil.degree or any other degree of this University or other Universities. I find the work is comprehensive and complete, and fit for sending to the references.
