

ACKNOWLEDGEMENTS

The completion of this piece of work is solely due to efficient guidance, inspiring and fruitful discussion and supervision of progress with a ray of insight into the problem by my research guide Dr. S.G. Nanware, to whom I remain immensely thankful. I would like to place on record that the discipline which he infused in me during the course of this work, am sure, will stand in good stead in my future also.

I express profound regard and gratefulness to Principal Abhaya-kumar Salunkhe, The Secretary Swami Vivekanand Shikshan Sanstha, Kolhapur and Shri H.T. Patil, Principal, A.C.S. College, Tasagaon, for granting me a leave and giving a chance for this course.

I express my heart-felt gratitude towards my reverend teacher Prof. A.T. Varute, Head, Department of Zoology, Shivaji University, Kolhapur, for his constant encouragement and unfailing affection.

For sharing their research respiratory, I am thankful to Dr. M.G. Hogale and my teachers in the Department of Zoology, Shivaji University, Kolhapur. I am also thankful to the non-teaching staff of this department.

My sincere thanks are due to Dr. B.C. Jakati, Librarian, Shivaji University, Kolhapur.
