

## LIST OF GRAPHS

GRAPH NO.	PARTICULARS
1	Fertility of males revealed by the number of implantation sites, in females.
2	Alterations in body weight.
3	Testis - Alterations in wet weights.
4	Caput epididymis - Alterations in wet weights.
5	Cauda epididymis - Alterations in wet weights.
6	Vas deference - Alterations in wet weights.
7	Seminal vesicle - Alterations in wet weights.
8	Prostate gland - Alterations in wet weights.
9	Cowper's gland - Alterations in wet weights.
10	Testis - Alterations in acid phosphatase.
11	Testis - Alterations in alkaline phosphatase.
12	Caput epididymis - Alterations in acid phosphatase.
13	Caput epididymis - Alterations in alkaline phosphatase.
14	Cauda epididymis - Alterations in acid phosphatase.
15	Cauda epididymis - Alterations in alkaline phosphatase.
16	Vas deference - Alterations in acid phosphatase.
17	Vas deference - Alterations in alkaline phosphatase.
18	Seminal vesicle - Alterations in acid phosphatase.
19	Seminal vesicle - Alterations in alkaline phosphatase.
20	Prostate gland - Alterations in acid phosphatase.
21	Prostate gland - Alterations in alkaline phosphatase.
22	Cowper's gland - Alterations in acid phosphatase.
23	Cowper's gland - Alterations in alkaline phosphatase.
