

ACKNOWLEDGEMENTS

I express my deep sense of gratitude to my research guide Dr. Jay S. Samant for suggesting the problem and valuable help, academic and otherwise, given to me during my research.

It is my duty to thank Dr. A.T. Varute, Prof. and Head, Department of Zoology, for providing the necessary research facilities. My thanks are also due to Dr. N.K. More and Dr. V.A. Sawant for their keen interest and continuous encouragement in my research.

My thanks are due to Prof. M.S. Prasad, Director, Shivaji University Computer Centre for allowing me to use the Computer Facility. Also I thank Prof. (Mrs.) Anuradha Samant for the valuable help rendered during the research work.

I am thankful to my friends namely, Miss Bharati Desai, Miss Raju Shinde, Miss Sunita Sawarkar and Miss Sheela Fernandes for their valuable assistance in the field work without which this work would not have been possible. I express with thanks the academic help rendered by my departmental colleagues, Mr. B.M.H. Ahamad, Mr. C.D. Pawar, Mr. V.P. Surwase and Mr. K.P. Shinde.

I was immensely benefited by the help from the Bombay Natural History Society, Govt. Meteorology Deptt. at Kolhapur and the Agro. Meteorology Deptt. of the Agri. College, Kolhapur and Kolhapur Municipal Corporation, I acknowledge their help with thanks.

The presentation of the dissertation would not have been so good without timely and efficient work by Shri T.S. Kolekar (Photographer) and Mr. Ghatage (Typist).

This work would never have been a reality without the constant support and encouragement from my family members who would not like me to thank them.
