

### ACKNOWLEDGEMENTS

*I consider it my great privilege to have worked under the guidance of my revered teacher Dr.S.G.Nanaware. He is instrumental in training me as a research student. Successful completion of this dissertation is due to his able guidance, inspiring, intelligent and fruitful discussions, valuable suggestions, interesting criticism of the observations and their interpretations and invaluable help of all sorts during the course of the work. Words are really inadequate to express my deep sense of gratitude towards him.*

*I will remain deeply grateful to Dr.A.T.Varute, Professor and Head, Department of Zoology, Shivaji University, Kolhapur, who, with great intellectual rigour, research skills, critical acumen and with a very sympathetic attitude gave me concrete help in a number of ways.*

*I express profound regard and gratefulness to Prin. (Dr.) Shivajirao Kadam, Poona College of Pharmacy for his constant encouragement and unfailing affection. I am also much obliged to Principal K.D.Jadhav, Yashwantrao Mohite College, Pune, for his valuable help of all sorts.*

*I express profound regard and gratefulness to Dr. K.B.Pawar, Vice-Chancellor, Shivaji University for allowing me to work in the University Department of Zoology. I am very much obliged to Dr. B.P. Sabale, the Registrar for providing me all sorts of facilities during the course of the study.*

I gratefully acknowledge the valuable help rendered by Dr. (Mrs.) Pillai, Dr. M.N. Nalawade, Dr. (Mrs.) Kanase, Dr. Muley, Dr. P.S. Mane and Dr. G.R. Gonjari.

I wish to express my sincere thanks to my colleagues and friends, Mr. T.S. Bhosale, Mr. R.G. Patil, Mr. B.A. Tomke, Mrs. K.P. Sanas, Dr. R.D. Deshmukh, Mr. P.D. Kadam, Mr. S.B. Patil, Mr. P.P. Yadav and Mr. S.S. Jawale.

This is also to acknowledge my debt of gratitude of my brother Mr. D.Y. Kadam for his generous encouragement during this dissertation and every step of my life.

My regards are due to Mrs. C.S. Nanaware, Anand and Ashu for their keen interest in my research work and irresistible love showed towards me.

I appreciate and extend thanks to the skillful artists, Mr. Gajanan Bondre, Mr. M.N. Parakhe, Mr. H.M. Jagtap. I also extend thanks to the typists Miss Gosavi and Mr. Kumbhar for their painstaking and careful typing of the dissertation.

I take this opportunity to gratefully acknowledge the courtesy and valuable assistance received from the librarian of Barrister Balasaheb Khardekar Library, Kolhapur.

I wish to express my thanks to teaching and non-teaching members of the Department of Zoology, Shivaji University and Yashwantrao Mohite College, Pune, for extending a helping hand wherever I needed.
