

ACKNOWLEDGEMENT

I hereby take this opportunity to express gratitude to the people who helped me in completing this work. First of all, I wish to offer my sincere thanks to Dr. S.G.Nanaware, who gave the opportunity to work on this problem under his supervision. I offer my thanks to Prof. N.K. More, Head, Department of Zoology, Prof. V.A.Sawant and Principal, Dr. S.D.Jadhav, K.B.P. Mahavidyalaya, Pandharpur for their valuable help throughout this work.

I also offer my thanks to my research colleagues, Mr. Bharmal, Mr. Yadav, Mr. Patil, Mr. Aundhakar and friends and relatives for their timely help. I must thank all the teaching and non-teaching staff of the Zoology Department of Shivaji University, Kolhapur and K.B.P.Mahavidyalaya, Pandharpur for their invaluable guidance and help to complete this project.

I express profound regard and gratefulness to my mother Shrimati Chandrabhagabai Jadhav for her constant encouragement and affection. I wish to put on record my sense of appreciation for my Wife Mrs. Kewal Jadhav; daughter Anita, and Sons, Ramchandra, Harishchandra and Bhalchandra. They bore with me with admirable patience.

I wish to express my sincere thanks to Shri. R.K.Shinde, Dr. Fartade, Shri. Malwadkar, Shri. Jadhav and Shri. Pawar. I am very much thankful to the U.G.C. New Delhi for providing me financial assistance through teacher-fellowship to complete this work.

My thanks are due to Mrs. Meenaxi Chandrakant More, Mr. Bondre, Mr. Jagtap and Mr. Sardesai, Navrang Mudranalaya, Kolhapur for Typing and Xeroxing, Photography and binding of the dissertation respectively.

Last but not least, I am thankful to the authorities of the University for providing me all sort of help to work on this project.

(D.B.Jadhav)
