

Acknowledgements

I express my deep sense of gratitude to my teacher Dr. S.G.Nanaware, Reader in Animal Physiology, Department of Zoology, Shivaji University, Kolhapur, India, for suggesting the problem, constant encouragement, constructive suggestions and for all possible help throughout the course of this work and preparation of the M.Phil. dissertation.

I thankfully remember my friends Dr. P.S. Mane, Head, Department of Zoology, S.G.M. College, Karad, Dr. D.L. Bharmal, Department of Zoology, S.P.K. College, Sawantwadi, Pradeep Yadav, Lecturer, Mahendra Tile, Lecturer, Y.C.College Islampur, India, for their useful suggestions and interest in my research work.

I also wish to thank all the teachers and non-teaching members of Zoology Department, Shivaji University Kolhapur, India for extending strainuous help.

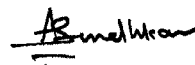

I thank University Grants Commission, New Delhi, India, for research fellowship under center of Department of Zoology, Shivaji University, Kolhapur, India.

At last but not the least, I find no words to express my sentiments and regards for madam Mrs. Nanaware whose untiring motherly affection is unforgettable. My special thanks are due to Shri Jagmohan Nanaware, Mrs. Sneha and Ashu for their help and co-operation.

Above all I convey grateful feelings to my parents, my brother Sunil, sister Sou. Vidya and my sister-in-law Mr. Gajanan Pakhare for their encouragement and moral support. I have no words to express my sentiments for my wife Sou. Shila, and my daughter Mousami and little son Prathamesh, for their love, affection and sacrifice.

Kolhapur
