

LIST OF TABLES

| <u>Table No.</u> | <u>Title</u> |
|------------------|--|
| I | Factors responsible for Physico- Mechanical Properties and Solubility |
| II | Percentage yield and reduced viscosity values of polyesters synthesised. |
| III | Synthesis of Copolyesters of 3-PMA |
| IV | Synthesis of Copolyesters of 4-PMA |
| V | Cardo Polyarylates Properties. |
| VI | Solubility of Polyesters of 3-PMA in different solvents |
| VII | Solubility of Polyesters of 4-PMA in different solvents |
