

ACKNOWLEDGEMENT

I acknowledge my sincere gratitude to Dr.S.V.Lonikar, Reader, Department of Chemistry, Shivaji University, centre for post graduate studies, Solapur for his able, inspiring guidance and constant encouragement during the course of this investigation.

It is a pleasure to acknowledge timely help of Dr.N.N.Maldar, Professor and Head, Department of chemistry, Shivaji University, centre for post graduate studies, Solapur for his suggestion and discussions throughout the course of this investigation. The help rendered by Dr.S.Sankar, Chem.Deptt., North Carolina State University, Raleigh, NC, USA in obtaining solid state NMR spectra is highly appreciated.

I am thankful to Dr(s) P.P.Hankare, U.R.Kapadi and laboratory staff for their assistance.

I am also thankful to Mr.P.H.Basutkar, V.P.Ubale and R.D.Dindore, all other friends and colleagues for their co-operation during the work.
