

ACKNOWLEDGEMENT

It gives me a great pleasure to express my sincere and heart-felt gratitude to my research guide Dr. M. B. Chavan, Reader, Department of Chemistry, Shivaji University, Kolhapur for his invaluable guidance, help and encouragement during the course of the investigations. He was kind to make suggestions from time to time during the progress of research work.

I wish to express my deep sense of gratitude to Dr. N. B. Patil, Prof. and Head Department of Chemistry, Shivaji University, Kolhapur for his advice, encouragement and facilities provided for this work.

My sincere thanks are also due to Dr. C. K. Bhaskare and my teachers in the University Department of Chemistry for valuable help and encouragement during the period of my research work.

I take this opportunity to record my sincere thanks to the Honourable Vice-Chancellor, Dr. K. B. Pawar and the Registrar, Shivaji University, Kolhapur for allowing me to carry out the research in the University Department of Chemistry and for the facilities provided for this work.

I am also thankful to Shri. T. S. Supe, Principal, Shri. M. Y. Adthe, Head, Department of Chemistry, Secretary and Management of Shri. Shivaji Mahavidyalaya Barsi for their kindness in granting me permission and study leave for carrying out the research.

I gratefully acknowledge my indebtedness to U. G. C. for

giving me fellowship without which I would not have been able to do this research work.

I also owe with gratitude to the help and encouragement rendered during time of practical work by my well-wishers, Sou. Jagdale, S. P., Miss. Honmude, S. N., Miss. Chicknis, V. V., Miss. Hoskalle, L. B., Dr. Anuse, M. A. and Shri. Kumbhar, P. P.
