The choice of a research subject particularly for M.Phil. is by no means an easy task. In my case, the task was made easy by my interest in the working of various Financial institutions right from the years of my post-graduate education. The present work is a result of my pursuit of the interest in a critical study of working of District Industries Centre (DIC) with special reference to educated unemployed under Self-employment scheme in Solapur District.

In the first place, I must express my sincere gratitude towards my Research Guide Prof. S.V.Deshpande who has given me valuable guidance and spent valuable hours for the completion of this work. I am in fact indebted to him.

I am also thankful to Prof. A.D.Shinde, Director, Chhatrapati Shahu Central Institute of Business, Education and Research, Kolhapur for his valuable support and guidance.

My heartfelt gratitudes are to my teachers Prof. M.S.Kirtane and Prof. S.S.Pandit who have always encouraged me for higher achievements in my life.

I would be failing in my duties if I do not mention my gratitudes towards Prin. Dr. P.S.Rao, Chhatrapati Shahu Central Institute of Business, Education and Research, Kolhapur. He has enhanced my confidence and whenever I had to face some difficulty, he has tried his best to sort it out.

I am thankful to Shri S.S.Kulkarni, Shri S.S.Wagh and Shri N.S.Katte, General Manager of DIC, Solapur and their staff for their assistance in completion of the data.

I am also thankful to Shri Rane, Manager, Bank of India (Lead Bank) and their staff for their assistance in completion of the data.

I am also thankful to the Librarians and Staff of the Libraries of Chhatrapati Shahu Central Institute of Business Education and Research, Kolhapur.

I am very much thankful to Prin. Shri V.N.Bhosale, Chhatrapati Shivaji Arts & Commerce Night Junior College, Solapur for his financial assistance and encouragement from time to time.

Finally, I must mention thanks towards Shri V.G.Manakeshwar for his neat and timely typing of this work.
