2.9	Details of total employees of the factory	64
2.10	Details about classification of seasonal workers according to their department.	66
<u>Chapter-IV :</u>		
4.1	Distribution of the respondents according to caste structure	145
4.2	Distribution of the respondents according to their age range	147
4.3	Distribution of the respondents according to their marital status	148
4.4	Distribution of the respondents according to their educational background	149
4.5	Distribution of the respondents according to their period of service	150
4.6	A) Distribution of respondents according to their distance from place of work	151
	B) Distribution of the respondents according to their mode of conveyance	153

Table No.	Title	Page No.
4.7	Distribution of the respondents according to their department	154
4.8	Distribution of the respondents according to seasonal permanent and seasonal temporary	156
4.9	Distribution of the respondents according to their salary	157
4.10	Distribution of the respondents according to their size of family	158
4.11	A) Distribution of the respondents according to their land holding	159
	B) Distribution of the respondents according to their size of land holding	160
	C) Distribution of the respondents according to their subsidy source of income	161
4.12	Distribution of the respondents according to their payment system or nature of salary	163
4.13	Attitudes of the respondents towards their working conditions	164
4.14	A) Distribution of respondents according to their weekly off	168
	B) Distribution of the respondents according to their leave facilities	168
4.15	Distribution of the respondents according to their working shifts	170
4.16	Distribution of the respondents according to absenteeism of work without permission	171

Table No.	Title	Page No.
4.17	Distribution of the respondents according to their welfare facilities	172
4.18	Distribution of the respondents according to the provision of provident fund facilities	178
4.19	Distribution of the respondents according to their opinion about trade union	179
4.20	Distribution of the respondents according to their work in off season	186
4.21	A) Distribution of the respondents who get retention money during the off season	182
	B) Distribution of the respondents according to rate of retention money	182
4.22	Distribution of the respondents according to view about their wages	183
4.23	A) Distribution of the respondents according to their indebtedness	183
	B) Distribution of the respondents according to their sources of borrowing money	184
4.24	Distribution of the respondents according to their view about recruitment	185
4.25	Distribution of the respondents according to their promotion	186
4.26	Distribution of the respondents according to their transfer from one department to another	187

Table No.	Title	Page No.
4.27	A) Distribution of the respondents according to their training	188
	B) Distribution of the respondents according to their various categories of training	189
4.28	Attitudes of the respondents towards their service.	190
4.29	Distribution of the respondents according to their opinion towards administration	190
4.30	Distribution of the respondents according to their problem in service	191
