

# ACKNOWLEDGEMENT

*I have great pleasure to submit this dissertation. The research was quite new and therefore, it was very difficult in the initial stages to acclimatize. Really speaking, it was a team work. Guidance, co-operation and suggestions had come forth from various dignitaries, authorities and concerned persons. Hence, it is my first and the foremost duty to acknowledge the debt.*

*To work under the guidance of my reverent teacher, Dr. U. V. Arvindekar was my great privilege. The successful completion of this dissertation is due to his fruitful inspiring discussions, scholarly guidance, valuable suggestions, interesting criticism of the observations and their interpretations, and invaluable help of all sorts right from the selection of topic to the completion of manuscript. It was a pleasant and desirable experience. Words are really inadequate to express my deep sense of gratitude towards him.*

*I thank especially, the General Manager, Personnel Manager, various dignitaries and workers from different categories of Pune Municipal Transport, Pune for their co-operation during my data collection. This research work would not have been possible without their co-operation.*
