

PREFACE

The Urban Co-operative Bank in Maharashtra are playing a prominent role in meeting the credit requirements of needy people. The UCBs are established to provide loans and advances to middle class of the society in a specific area.

Urban Co-operative banks are the social organizations. Therefore, it is necessary to evaluate overall performance of UCBs. The performance is closely related with an individual in particular and the organization in general. The study of Performance Evaluation of Sahyadri Sahakari Bank Ltd., Karad, Dist. Satara covers the detailed analysis and interpretation regarding profile, general information, financial aspects, various schemes of the bank.
