

LIST OF TABLES

Sr. No.	Table no.	Title	Page No.
CHAPTER TWO			
1.	2.1	Table Showing the classification of the interviewed jaggery producers on the basis of their contribution to jaggery production.	19
CHAPTER THREE			
2.	3.1	Table showing Statewise production of jaggery in India.	24
CHAPTER FOUR			
3.	4.1	Table showing the annual turnover of important commodities in Shree Shahu Market Yard between 1980-81 to 1986-87.	38
4.	4.2	Table giving the details of income and expenditure for 1980-81 to 1986-87.	39
5.	4.3	Table providing the details of the Government subsidies.	42
CHAPTER SIX			
5.	6.A.1	Distribution of jaggery producers according to the per acre yield of sugarcane and age.	53
6.	6.A.2	Distribution of jaggery producers according to the per acre yield of sugarcane and education.	54
7.	6.A.3	Distribution of jaggery producers according to the quantum of jaggery production and caste.	54
8.	6.A.4	Distribution of jaggery producers according to the quantum of jaggery production and size of family.	55
9.	6.A.5	Classification of jaggery producers according to the quantum of jaggery production and their occupation.	56
10.	6.A.6	Classification of jaggery producers according to the quantum of jaggery production and their disposal of sugarcane.	57
11.	6.A.7	Distribution of jaggery producers according to the quantum of jaggery production and their future trend to grow sugarcane for jaggery.	58
12.	6.A.8	Classification of jaggery producers according to the quantum of jaggery production and satisfaction with financing.	59
13.	6.B.1	Classification of jaggery producers according to the quantum of jaggery production and satisfaction with payment method.	61

Sr. No.	Table no.	Title	Page No.
14.	6.B.2	Distribution of jaggery producers according to the quantum of jaggery production and their awareness of storage.	62
15.	6.B.3	Distribution of jaggery producers according to the quantum of jaggery production and the use of storage facilities.	63
16.	6.B.4	Distribution of jaggery producers according to the quantum of jaggery production and their satisfaction with grading system.	64
17.	6.B.5	Classification of jaggery producers according to the quantum of jaggery production and their satisfaction with the weighing system.	65
18.	6.B.6	Distribution of jaggery producers according to the quantum of jaggery production and satisfaction with weighing charges.	66
19.	6.B.7	Classification of jaggery producers according to the quantum of jaggery production and views about market charges.	67
20.	6.B.8	Distribution of jaggery producers according to the quantum of jaggery production and awareness of market intelligence.	68
21.	6.B.9	Distribution of jaggery producers according to the quantum of jaggery production and satisfaction with market intelligence.	69
22.	6.B.10	Distribution of jaggery producers according to the quantum of jaggery production and their experience about malpractices.	70
23.	6.B.11	Distribution of jaggery producers according to the quantum of jaggery production and use of packing.	71
