

ACKNOWLEDGEMENT

Every research work needs guidance, help, encouragement and support to the researcher. It is a matter of great pleasure to acknowledge the persons who have helped me during my research work.

The foremost duty to express my gratitude to Prof.A.M.Patwardhan, my Research Guide, who was kind enough to accept me as a research student and without whose constant encouragement, guidance, discussions and continuous supervision, this work would have hardly been completed. I am grateful to the authorities of Chh.Shahu Central Institute of Business Education & Research, Kolhapur, for having permitted me to work as a research student in the faculty of Commerce and Management.

I am also thankful to Dr.P.S.Rao, Principal, Chh. Shahu Central Institute of Business Education & Research, Kolhapur, who has been my source of inspiration and guidance.

The lively discussions with the customers, dealers and Marketing Managers of both the Companies and their subordinates turned successful only because of their keen interest and co-operation. I take this opportunity to thank all those who were directly and indirectly helpful to me in completing this work.

I am also thankful to the Librarian and the staff of the library of the Institute for the facilities provided by them.

My sincere thanks to Shri.Uttam Chokakkar, my brother, for his continued support. I also thank S/Shri. K.D.Kamble, B.A.Naik, Pradip Patil and S.G.Rathod for their encouragement and valuable help in carrying the research study.

Kolhapur
