With my deep sense of gratitude, I take this opportunity to express thankfulness to all who have rendered valuable guidance to me.

I am greatly thankful to the Department of Commerce, Shivaji University without which this report would not have been written. I am highly thankful to **Dr.V.B KODAG**, Principal, Ganpatrao Arwade College of Commerce, who supported me in all possible ways and rendered his valuable guidance along with all possible functions that I needed to successfully complete this project.

I offer my heartiest appreciation to all my friends and other well wishers for their ever willing cooperation, moral support and assistance wherever and whenever needed and best for successfully taking the study. I wish them best in their life.

I find no word to acknowledge in so formal manner the sacrifice, love, inspiration and help rendered by my parents, husband and family to take up this study.

Thanking you.
