I have a great pleasure to submit this Dissertation. The research - subject was quite new & therefore it was quite difficult for me to collect information in this regard. Really speaking, it was a teamwork Guidance, co-operation & suggestions had come forth from various dignitaries, authorities & concerned persons. Hence it is my first & foremost duty to acknowledge their debts.

Principal Dr. P.S.Rao is one amongst such authorities who has extended his cordial co- operation to me. He has given me valuable advice, constant encouragement & scholarly guidance, right from the selection of the topic to the completion of the manuscript. His advice is just a suger-coated tablet. It was a pleasant & desirable experience.

It must be specially thankful to Shri, Hasamukha Vasa, Director of Rocket Engineering Corporation, Shri. Prakash Shaha ,Personnel Officer, for their cordial co-operation. The research work would not have been possible without their co-operation. I express my sincerest thanks & appreciation for their help & guidance.

I must also thankful to Shri. Pawar, Shri. Mustoli M.R., Shri. Yadav D.D. & Sou. Shinde S.S.library members of Chh.Shahu Central Institute of Business Education & Research Kolhapur for their valuable co-operation.

I must be specially thankfuly record the co-eration received from Prof. Advitot Sunil S. Head, Department Of Computer Studies, Akalkot College, Akalkot for his meticulous & deligent co-operation for this Dissertation.

My parents have been a continuous source of inspiration to me since my childhood. I have no words to express my feelings towards them.

Last but not least, I am thankful to my wife Sou. Sheela for her constant encouragement & help.

However I alone assume the full responsibility of the conclusions, errors & omissions.
