

ACKNOWLEDGEMENT

I have immense pleasure in presenting this research work to Shivaji University Kolhapur, Maharashtra state. In completion of this research work, I owe the greatest sense of gratitude to my distinguished research guide, *Dr. Shivaji D. Mundhe*, Director, SIMCA ,Narhe, Pune, whose constant meticulous guidance, assistance have been of immense value to me in carrying out this present research work.

I would like to take this opportunity to convey my deep debt of gratitude to Shivaji University, Department of commerce and Management staff, especially HOD, *Dr. S.S. Mahajan* for allowing me to work on this topic,

It gives me pleasure to acknowledge my sincere thanks to all the Respondents-all the Project Managers, Quality Test Engineers, Database Analyst , Software Engineer , Software Developer , Test Analyst , S/W Quality Analysts, Senior Consultant Programmer Analyst ,Team Leads, Module Lead ,Directors working in different Software Companies from pune city who gave me the valuable information during the survey.

My thanks are due, for my family members specially my Mother, Wife and father - Sharad Patil (Aanna) and my sisters Aparna, Archana, Nivedita who continuously inspired me to write. I would like to express my thanks to my wife, Shital for always motivating me to complete the research work & helping me while preparing the thesis. I would like to thanks to *Dr. Pratap Patil* for guiding me while thesis preparation. Finally, I am thankful to my all friends and well-wishers, who have directly or indirectly helped me in completing this thesis.

Pune.

February-2015.

Dayanand Sharad Patil.
