

LIST OF GRAPHS

Sr. No.	Table No.	Contents	Page No.
1.	4.1	Age wise information of the respondents with Designation.	49
2.	4.2	Information about Separate Testing Team to Test the Web Application.	50
3.	4.3	Information about Automation tools need to test web Application.	51
4.	4.4	Usage of Automation Tools	52
5.	4.5	Challenges of Usability Testing of Web Application	53
6.	4.6	Problems of Usability Testing of Web Application	55
7.	4.7	Other Challenges of Usability Testing of Web Application	58
8.	4.8	Other Problems of Usability Testing of Web Application	60
9.	4.9	Challenges of Functionality Testing of Web Application	62
10.	4.10	Problems of Functionality Testing of Web Application	64
11.	4.11	Other Challenges of Functionality Testing of Web Application	66
12.	4.12	Other Problems of Functionality Testing of Web Application	68
13.	4.13	Challenges of Security Testing of Web Application	70
14.	4.14	Problems of Security Testing of Web Application	71
15.	4.15	Other Challenges of Security Testing of Web Application	73
16.	4.16	Other Problems of Security Testing of Web Application	74
17.	4.17	Challenges of Performance Testing of Web Application.	76
18.	4.18	Problems of Performance Testing of Web Application.	78
19.	4.19	Other Challenges of Performance Testing of Web Application.	80
20.	4.20	Other Problems of Performance Testing of Web Application.	82
21.	4.21	Respondent's opinion on Performance testing of web application	83
22.	4.22	Respondent's awareness of Security Testing of Web Application.	84
23.	4.23	Information of Web Application Testing reduces maintenance cost	85
24.	4.24	Information of Testing improves quality of Web Application	86
25.	4.25	Information of Web Application Testing Quality depends on Quality of	87

		Functional & Non-functional Testing of Web Application	
26.	4.26	Information of Organization uses model for Web Development	88
27.	4.27	Information on process improvement in testing process improves quality of web application	89
28.	4.28	Information on Need of Special test cases for Websites heavily loaded with Ajax & Flash	90
29.	4.29	Information on Test coverage of web application dependency	91
