

## ACKNOWLEDGEMENT

I have no words to describe the learned guidance given to me by my guide, Dr.R.M.Tungare, Reader in Economics, Chhatrapati Shahu Central Institute of Business Education and Research, Kolhapur, even at the expense of great inconvenience caused by my intrusions upon his valuable time.

I must also acknowledge with regards and gratitude the help Shri A.D.Shinde, Director this Institute, was kind enough to offer by giving me admission to the Course in his Institute and that of Principal, Dr.P.Subba Rao of this Institute.

I must also express my sincere thanks to Shri Shivajirao Desai, President of Kolhapur Chamber of Commerce and Industries, Shri A.B.Kulkarni, Manager of Kolhapur Udyam Co-operative Society and Shri Chandrakant Desai, Secretary of Shirolji Manufacturers Association, Kolhapur for supplying the information promptly as and when essential.

It will be a serious lapse on my part if I do not express my sincere thanks to my parents, who encouraged me and provided me an opportunity to acquire the essential professional qualifications.

I have drawn much on the services rendered by the Libraries of Shahu Institute and Shivaji University, Kolhapur. To all of them, I owe a debt of gratitude.

Special mention must be made of my friends, Miss Pramila Morbale and Sou. Shobha Kulkarni, who took every trouble in collecting information for me while on survey.

I am thankful to my cousin brother, Shri Kiran Suryavanshi and his wife, Mrs. Pranila Suryavanshi, who helped me every time by giving valuable books, information and help which were of great use to me.

I may fail if I do not mention my thanks to Shri K.R. Joshi, who typed my dissertation very neatly and carefully and in time, by taking special interest in my work.
