

PREFACE

The present research work tries to study the impact of IADP on the economic conditions of the BPL households in Akkalkot Taluka of Solapur District. Credit is an important basic input for achieving the main objective of IADP i.e. raising the income generating capacity and employment opportunity of the poor people in rural sector. The analysis based on the statistic information given by the Solapur Gramin Bank, District Rural Development Agencies, Panchayat Samiti Akkalkot office of the collector, all talukas of the district.

I am very much grateful to Dr.K.G.Pathan my Research Guide and Director, Bharati Vidyapeeth's Institute of Management Solapur for his kind co-operation in completing this work.
