

ACKNOWLEDGEMENT

I am extremely fortunate to have as my guide Dr. T.G. Naik, Reader in Economics. The successful completion of this work is entirely due to his rich guidance. My words fall short to thank him enough and show my sincere gratitude.

I am thankful to Dr. V.B.Ghuge, Professor and Head, Department of Economics for his encouragement and to the members of teaching and non-teaching staff of this department for their kind cooperation.

I gratefully acknowledge my indebtedness to U.G.C. for granting me Teacher Fellowship. I am thankful to Prin. V.N.Uppin, V.M.S.R.V. Arts and Science College, Hungund and the management of V.M.E. Association for deputing me to the M.Phil. Course.

I also owe a deep debt of gratitude to Shri S.S.Kadapatti, M.L.A. Chairman of V.M.E.Association, Hungund for his invaluable help in collecting the necessary data. I am also grateful to Prof.V.T.Gonnagar, Head, Department of Physics, Rajaram College, Kolhapur, for his keen interest in my progress, limitless sympathy and constant encouragement. My greatest thanks and love go to my family members for their moral support and constant inspiration.

I am thankful to Shri B.C.Jakati, the Librarian, Shivaji University, Kolhapur for his kind cooperation. I express my appreciation to Shri Gosavi for his neat and skilful typing.
