

CERTIFICATE

Mr. D.N. Kutwal was working as a teacher-fellow in Botany Department for M.Phil. Degree under my guidance during the period 9th September, 1987 to 9th September, 1988. He has satisfactorily completed the research work assigned to him for the topic "Influence of Chlorocholine Chloride (CCC) pretreatment on physiology of groundnut (Arachis hypogaea L.)". The same work is included in the M.Phil. thesis enclosed herewith. I further declare that this work is not submitted for fulfilment of any other degree of this or other Institute.

Dr. P. D. Chavan,
Guide.
