

List of Tables

Table No.	Title	Page
1	Effect of HICO-110 R foliar application on Osmotic Potential (O.P.) of cell sap of sorghum var. M-35-1 and groundnut var. JL-24.	... 37
2	Effect of HICO-110 R foliar application on Relative Water Content (RWC) of sorghum var. M-35-1 and groundnut var. JL-24.	... 39
3	Effect of HICO-110 R foliar application on chlorophyll contents in sorghum var. M-35-1 and groundnut var. JL-24.	... 41
4	Effect of HICO-110 R foliar application on chlorophyll stability index of sorghum var. M-35-1 and groundnut var. JL-24.	... 43
5	Effect of HICO-110 R foliar application on proline content in the leaves of sorghum var. M-35-1 and groundnut var. JL-24.	... 45
6	Effect of HICO-110 R foliar application on polyphenol content in the leaves of sorghum var. M-35-1 and groundnut var. JL-24.	... 47
7	Effect of HICO-110 R foliar application on nitrogen content in the leaves of sorghum var. M-35-1 and groundnut var. JL-24.	... 50
8	Effect of HICO-110 R foliar application on the in vivo activity of enzyme Nitrite reductase in the leaves of sorghum var. M-35-1 and groundnut var. JL-24.	... 52
9	Effect of HICO-110 R foliar application on the activity of enzyme Nitrate reductase in the leaves of groundnut var. JL-24.	... 56

Table No.	Title	Page
10	Effect of HICO-110 R foliar application on diffusive resistance and transpiration rate in sorghum var. M-35-1 and groundnut var. JL-24.	... 59
11	Effect of HICO-110 R foliar application on diffusive conductance and diffusive resistance for CO ₂ in sorghum var. M-35-1 and groundnut var. JL-24.	... 61
12	Effect of HICO-110 R foliar application on diffusive resistance, transpiration rate and leaf temperature of sorghum var. M-35-1.	... 64
13	Effect of HICO-110 R foliar application on diffusive resistance, transpiration rate and leaf temperature of groundnut var. JL-24.	... 65
14	Effect of HICO-110 R foliar application on leaf moisture, leaf area and plant height in sorghum var. M-35-1 and groundnut var. JL-24.	... 70
15	Effect of HICO-110 R foliar application on leaf anatomy of groundnut var. JL-24.	... 76
16	Effect of HICO-110 R foliar application on yield of sorghum var. M-35-1 and groundnut var. JL-24.	... 78
17	Effect of HICO-110 R foliar application on grain wt. of sorghum var. M-35-1.	... 79
