It is an important day because on this day my thesis is completing. I offer my sincere gratitude to all of them who encouraged and helped me a lot at different stages of this work.

I express the deep sense of gratitude to Dr.S.P. Bartakke, my research guide who enabled me to complete this small piece of work with consistent inspiration and encouragement.

I do not think, the words, would amply express my gratefulness towards Dr.P.D.Chavan. It was he, due to whom this piece of work was finalised and received a shape.

It is my duty to offer my sincere thanks to Prof. B.A.Hegade, Head of the Botany Department, Shivaji University, Kolhapur, for the laboratory facilities and kind cooperation. I am also thankful to members of teaching and nonteaching staff of this Department who helped me from time to time.

My sincere thanks are due to Dr.R.S.Jadhav, Principal, Krishna Mahavidyalaya, Rethare (Bk.), Shivnagar; Dr.B.B. Jamale, Head of the Botany Department; and all staff members of this college who helped and encouraged me a lot.
