

## List of Tables

<b>Sr. No.</b>	<b>Title</b>	<b>Page No.</b>
1.1	Area irrigated by sources in India	4
1.2	Development of irrigation potential in Maharashtra	9
1.3	District wise irrigation position of Maharashtra	10
1.4	District wise co-operation lift irrigation schemes in Maharashtra	11
1.5	Percentage of gross cropped area to the total geographical area	14
1.6	Taluka wise irrigation position of Sangli district	14
2.1	Age wise classification of households	23
2.2	Caste wise classification of beneficiaries	24
2.3	Type of family	25
2.4	Education wise distribution of farmers	26
2.5	Classification of households by owned land	28
2.6	Classification of households by cultivated land	29
2.7	Classification of households by size of Non-irrigated land	29
2.8	Classification of households by size of irrigated land	30
2.9	Distribution of ownership holdings by size of holdings	31
2.10	Distribution of cultivated land by size of holdings	31
2.11	Distribution of wasteland by size of holding	32
2.12	Distribution of irrigated land by size of holding	33
2.13	Distribution of Non-irrigated land by size of holdings	34
2.14	Percentage of cultivated land, waste land, irrigated land and non-irrigated	35
3.1	Changes area under hybrid Jowar	38
3.2	Area under groundnut	39

3.3	Area under wheat	40
3.4	Area under rice	41
3.5	Area under sugarcane	41
3.6	Area under soyabean	42
3.7	Area under rabi jowar	43
3.8	Production of hybrid jowar	44
3.9	Production of groundnut	45
3.10	Production of wheat	46
3.11	Production of rice	47
3.12	Production of soyabean	48
3.13	Production of rabi jawar	48
3.14	Yield of rabi jowar	50
3.15	Yield of groundnut	50
3.16	Yield of wheat	51
3.17	Yield of sugarcane	52
3.18	Yield of soyabean	53
3.19	Yield of rabi jowar	54
4.1	Income from hybrid jowar	55
4.2	Income from groundnut	55
4.3	Income from wheat	56
4.4	Income from rice	57
4.5	Income from sugarcane	57
4.6	Income from soyabean	58
4.7	Income from rabi jowar	59
4.8	Classification of households by income from hybrid jowar	60
4.9	Classification of households by income from groundnut	61
4.10	Classification of households by income from rabi jowar	62
4.11	Classification of households by income from wheat	63

4.12	Classification of households by income from rice	64
4.13	Classification of households by income from sugarcane	65
4.14	Classification of households by income from soyabean	66
4.15	Classification of households by income (category wise) crop hybrid jowar	68
4.16	Classification of households by income (category wise) crop groundnut	69
4.17	Classification of households by income (category wise) crop jowar	70
4.18	Classification of households by income (category wise) crop wheat	71
4.19	Classification of households by income (category wise) crop rice	72
4.20	Classification of households by income (category wise) crop rabi jowar	73
4.21	Classification of households by income (category wise) crop soyabean	74
4.22	Total agricultural income (before scheme)	76
4.23	Total agricultural income (after scheme)	77
4.24	Categorywise classification of households by total agricultural income (before Scheme)	78
4.25	Categorywise classification of households by total agricultural income (after Scheme)	79
4.26	Participation in gram panchayat	80
4.27	Participation in gram pacs	80
4.28	Participation in gram co-op societies	81
4.29	Participation in gram washhi irrigation scheme	81
4.30	Participation in gram other societies	82
