

## LIST OF THE TABLES

TABLE NO	TITLE OF THE TABLE	PAGE NO.
1.1	Brief Profile of Villages Under Study	14
1.2	Classification of Grape Cultivation	14
2.1	Decadial Variation of Population in Khanapur Taluka	21
2.2	Land Use in Khanapur Taluka	23
2.3	Size of land Holding in Khanapur Taluka.	25
2.4	Cropping Pattern in Khanapur Taluka	27
2.5	Some Big Water Tanks in Khanapur Taluka.	29
2.6	Livestock in Khanapur Taluka.	32
3.1	Classification of Sample Grape Growers by Age	39
3.2	Classification of Selected Grape Growers by caste / Category	39
3.3	Classification of Sample Grape Growers by Education	40
3.4	Classification of Sample Grape Growers by Size of family	41
3.5	Classification of Working Family Members in Grape Farming Activity.	41
3.6	Distribution of Selected Grape Growers by Size of Holding.	42
3.7	Classification of Sample Grape Growers by Type of Soil.	43
3.8	Classification of Grape Growers by Variety of Grape Cultivated.	45
3.9	Classification of Grape Growers by Size of Grape Cultivation Farm.	46
3.10	Classification of Sample Grape Growers by years of first Planting	47

3.11	Classification of Sample Grape Growers by replanting year of Vineyards.	48
3.12	Sale of Grape of Grape Growers	49
3.13	Source of Finance	50
3.14	Item wise Production Cost of Water Self Sufficient Grape Growers.	54
3.15	Itemwise Production Cost of Water Needing Grape Growers.	57
3.16	Cost, Income, Profit and C.B.R. of the Water Self Sufficient Grape Growers.	60
3.17	Cost, Income, Profit and C.B.R. of the Water needed Grape Growers.	62
4.1	Item wise total Average and pergunta Water Cost of Self Sufficient Grape Growers.	70
4.2	Item wise total Average and pergunta Water Cost of Needed Grape Growers.	72
4.3	Item wise total Average and pergunta Water Cost of all Grape Growers.	74
4.4	Classwise yearly Water Cost of Self Sufficient Grape Growers.	75
4.5	Classwise yearly Water Cost of Needing Grape Growers.	76
4.6	Classwise yearly Water Cost of all Grape Growers.	77
4.7	Annually Total Cost of Water	78
4.8	Total and Per Farmer Water Cost of Self Sufficient and Needed Grape Growers.	79
4.9	Distribution of Grape Growers by Yearly Cost of Water.	80
4.10	Distribution of Grape Growers as Average Cost Range of Water.	81
5.1	Classification Grape of Growers According to Acquiring Sources of Water.	84

5.2	Classification Grape Growers as dependent and Independent about Water.	85
5.3	Classification Grape Growers According to Ways of Acquiring of Water.	86
5.4	Classification Grape Growers by Methods of Irrigation.	87
5.5	Classification of Grape Growers by main Source of Irrigation.	88
5.6	Year wise Classification of Grape Growers According to need of Water.	89
5.7	Month wise and year wise classification of Grape Growers.	90
5.8	Classification of grape Growers according to their efforts acquiring of water.	92
5.9	Classification of Grape Growers who uses Methods of Water Saving.	93
5.10	Classification of Grape Growers as Economical use of Water.	94

### **LIST OF THE GRAPHS**

<b>GRAPH NO</b>	<b>TITLE OF THE GRAPHS</b>	<b>PAGE NO.</b>
3.1	Type of Soil	43
3.2	Size of Grape Cultivation	46
5.1	Classification of Grape Growers according to acquiring Sources of Water.	84
5.2	Methods of Irrigation	87
5.3	Irrigation Sources	88
5.4	Yerswise Water Needed Growers.	89
