

ACKNOWLEDGEMENT

The present work is the outcome of valuable guidance, help and encouragement extended by my teachers, friends, my family and many dignitaries. I would like to put on record my deep sense of gratitude to them.

I am very much pleased to express my gratitude and my sincere thanks to Dr. V. P. Katti Assistant professor, Department of Economics, Shivaji University Kolhapur. Respected madam not only guided me but also inspired me with great encouragement. Soothing attitude helped me to overcome difficulties in completing my research work. Her guidance made to complete my research work systematically. I am very much thankful to her.

I am very much thankful to teaching and non-teaching staff and all from the Department of Economics, Shivaji University for their help.

I am also grateful to Prof. Dr. B. H. Kulkarni and Prof Dr. S. L. Patil Department of Economics and Prof. R. K. Babar Department of Politics Sangola College Sangola for their every time and everybody help and co-operation. I am also thankful to librarians of Shivaji University Kolhapur for their help and co-operation.

I cannot forget the support and help of my good neighbor U. M. Nikam and his family, my all friends and others in this research work, hence I thank them.

With pleasure I thank my family members for their all-round support, help and encouragement.
