

LIST OF TABLES

No.	Title	After page
CHAPTER I		
	Table 1 : Chemical composition of different <u>Crotalaria species</u> .	62
CHAPTER II	Table 2 : Nitrate reductase activity in <u>Crotalaria species</u> .	75
	3 : Nitrate reductase activity in different plant parts of <u>Crotalaria juncea</u> .	78
	4) : Nitrate reductase activity in relation to leaf position on main stem of <u>Crotalaria juncea</u> .	86
	5 : Influence of different nitrates on <u>in vivo</u> nitrate reductase activity in germinating seeds of <u>C. juncea</u> .	97
	6 : Influence of different growth regulators on nitrate reductase activity in germinating seeds of <u>C. juncea</u> in absence of nitrate.	104
