

Acknowledgements

It gives me great pleasure to acknowledge the help of Dr. B.A.Vagyani for suggesting me the problem and for the valuable help and guidance throughout the work. Without his encouragement and help the present work would never been completed.

I am thankful to Prof. (Dr.)B.A.Hegde, Head of the Botany Department, Shivaji University, Kolhapur for providing me the laboratory facilities.

I am also thankful to Shri Deshmukh for the help in photography and Shri Kumbhar for the neat typing of the dissertation.

My thanks are also due to my colleagues for their assistance.
