

## ACKNOWLEDGEMENT

It is with immense pleasure and gratitude that I acknowledge the guidance, support, help and encouragement extended to me by many people and institutions while completing this research work.

It gives me a great pleasure to express my sincere thanks to Dr.R.R.Doshi, my research guide and Professor and former Head, Department of Economics, Shivaji University, Kolhapur, for his valuable guidance from time to time in completing this research piece. Due to his keen interest and effective supervision, I could complete this research work. I do not have enough words to express my gratitude to him.

I am indebted to late shri. Vasantao Arve (experienced producer), Shri. Shankarrao Irale (Honourary Secreary of Draksha Bagayatdar sangh, Sangli) and KRISHIBHUSHAN Shri. P.S. Thakur, who gave me valuable information in connection with this work.

I am very much indebted to all the Sample producers of raisins, without whose favourable response to my calls this research work would not have seen the light of the day.

The District Horticulture Department, Sangli; Regional Statistical Department, Kolhapur; District Industries Centre, Sangli; Draksha Bagayatdar Sangh, Sangli; Agriculture Department, Sangli; Barr. Balasaheb Khardekar Library, Shvaji University, Kolhapur, extended their hand in supplying needed information. Thanks to all.

I am very grateful to my father and mother for encouraging me to get into a career of higher learning.

My gratitude, at the last, to Shri. Manish Mane of Vaishnavee Computer, Kolhapur who has taken much pains for computer typing of this dissertation with meticulous care.

  
Padmashri Mujumdar.
