

5] Land holding under Farm Forestry System : Acres

6] REASONS RESPONSIBLE FOR FARM FORESTRY

- a) Irregular Mansoon :
- b) Losses in Traditional Farming :
- c) Difficulties in Traditional Farming :
- d) Definite and big profits in Farm Forestry :
- e) New approach to Agriculture :
- f) Others (Please specify) :

7] FACTORS RESPONSIBLE FOR FARM FORESTRY

- a) Friends :
- b) Government Official :
- c) Published/Written Matter :
- d) T. V. and Radio :
- e) Relatives :
- f) Neighbours :
- g) Others (Please specify) :

8] NATURE OF GOVERNMENT AID

- a) Seedlings :
- b) Subsidy :
- c) Technical Knowledge :
- d) Loans :

9] What type of trees you have planted in your farm forestry? Please specify.

- | | | |
|-----|-----|-----|
| 1) | 2) | 3) |
| 4) | 5) | 6) |
| 7) | 8) | 9) |
| 10) | 11) | 12) |
| 13) | 14) | 15) |

10] The year in which you have started the farm forestry?

11] INFORMATION ON FARM FORESTRY

| YEAR | TYPES & NO. TREES | NUMBER OF SURVIVALS | NUMBER OF CASUALITIES |
|------|----------------------|------------------------|--------------------------|
|------|----------------------|------------------------|--------------------------|

12] INFORMATION ON FARM FORESTRY & TRADITIONAL CROPS

| TYPES OF TREES | KINDS OF TRADITIONAL CROPS |
|----------------|----------------------------|
| 1) | 1) |
| 2) | 2) |
| 3) | 3) |
| 4) | 4) |

13] What is the type of farm forestry that you have been practising ?

- a) Monoculture : Irrigated Dry land
- b) Mixed farming : Irrigated Dry land

14] What is the nature of your farm forestry ?

- (a) Fuel (b) Fruit (c) Fodder (d) Timber (e) Others

15] Are you getting income from the farm forestry ? Yes / No

If yes, mention the year -

Mention the average income per year - Rs. _____

16] How much income do you get from various sources of farm forestry ?

- (a) Income from fodder (b) Income from fruits
- (c) Income from fuel (d) Income from minor forest produce

17] How much income do you get from the other business supported by farm forestry ?

- (a) Dairy income (b) Others

18] How much time you had to wait after plantation and before the various trees could yield income ?

| TYPES OF TREES | YEARS |
|----------------|-------|
| 1) | |
| 2) | |
| 3) | |

- 19] What is the source of income during the gestation period of the trees ?
- (a) Income from traditional crops (b) Agricultural wages
(c) Income from mixed crops (d) Secondary business
- 20] In which of the following categories can you classify your farm forestry ?
- (a) Intensive approach (b) Indifferent approach
- 21] What are the effects of your farm forestry on neighbouring farms ?
- (a) Increase in production (b) Decrease in production
(c) Increase in fertility (d) Decrease in fertility
(e) Ill effects of the shade
- 22] Did the mixed farm forestry have any effect on food grains farming or commercial crop farming ?
- Yes / No
- If yes mention the increase in income : Rs.
Or decrease in income : Rs.
- 23] What is the number of labourers that you have employed on your farm ?
- (A) In Farm forestry
- (a) Family members (b) Casual labourers
- (B) In Traditional crops cultivation
- (a) Family members (b) Casual labourers
- 24] How many labourers did you employ before adoption of Farm forestry ?

- (A) Family members Male Female
- (B) Casual labourers Male Female

- 25] What are the costs of inputs employed for farm forestry ?
- (a) Average cost of pesticides per acre
 - (b) Average cost of fertilisers per acre
 - (c) Average cost of irrigation per acre
 - (d) Average cost of fencing per acre
- 26] Did you face any resistance for adoption of farm forestry ? If yes, then in what form ?
- (a) Criticism from relatives
 - (b) Criticism from villagers
 - (c) Self censure in the long waiting period
 - (d) Any others
- 27] What are the type of difficulties that you had to face in adoption of farm forestry ?
- (a) Inadequate supply of seedlings by the Government
 - (b) Technical difficulties during plantation
 - (c) Any others
- 28] How did you overcome the financial difficulties arising due to farm forestry ?
- (a) Individual savings
 - (b) Financial assistance from relatives
 - (c) Loan from banks
 - (d) Loan from private money lenders
 - (e) Any others

29] Have you encountered any technical problem or lack of information or knowhow?

- a) Inadequate self knowledge regarding farm forestry?
- b) Prejudice regarding trees?

30] What difficulties do you face in marketing of farm forestry produce?

- a) Inadequacy of transport facilities :
- b) Inadequate marketing facilities :
- c) Harrasment by the Government officials :

31] Where do you sell the farm forestry produce?

- a) Farm forestry farm :
- b) Village fuel depot :
- c) Timber depot :
- d) Regulated Markets :

32] What suggestions you would like to put forward in relation to farm forestry?

- a)
- b)
- c)
- d)
