

A C K N O W L E D G E M E N T S

It gives me great pleasure and privilege to acknowledge my deep sense of gratitude to Dr.B.A.Vagyan, M.Sc., Ph.D., Department of Botany, Shivaji University, Kolhapur, for suggesting me this problem and for giving me valuable guidance throughout the period of my research work. Without his keen interest and help, it would not have been possible for me to carry out the present work.

It is my pleasant duty to record my thanks to Shri K.N. Raghavarao and to Dr.A.V.V.Raju for help in collection of the material.

I am thankful to Prof. Dr.U.K.Kulkarni, Head of the Botany Department, Shivaji University, Kolhapur for facilities in the Department.

Thanks are due to Dr.B.A.Hegde, Botany Department, Shivaji University, Kolhapur for useful suggestions.

I am thankful to Shri B.K.Karekar for help in photography and Shri Kumbhar for neat typing of the dissertation.

Botany Department,
Shivaji University,
Kolhapur-416 004.
