

LIST OF TABLES

Table Number	Particulars	Page number
3.1	Table showing difficulty level of Technical terms and vocabulary.	68
3.2	Table showing the vocabulary of sentences.	68
3.3	Table showing the new words of sentences.	69
3.4	Table showing the responses related to presentation and organization of content.	69
3.5	Table showing responses inclusion of important points.	70
3.6	Table showing responses related to correct information.	70
3.7	Table showing responses related to relevant examples.	70
3.8	Table showing responses related to sequencing organization.	71
3.9	Table showing responses related to content points and their organization.	71
3.10	Table showing responses related to content coverage of the test.	72
3.11	Table showing responses related to ease in understanding of activities.	72
3.12	Table showing responses related to the nature of activity (challenging).	73
3.13	Table showing responses related to the nature of activity (Interesting).	73
3.14	Table showing responses related to ease of activities.	73
3.15	Table showing responses related to difficulty level of activities.	74

Table Number	Particulars	Page Number
3.16	Table showing responses related to clarity of instructions related to the activities.	74
3.17	Table showing responses related to script for analysis.	75
3.18	Table showing responses related to guidelines for planning	76
3.19	Table showing responses related to self-evaluation test.	76
3.20	Table showing responses related to information regarding lesson planning.	76
3.21	Table showing responses related to information related to lesson planning and the model lesson plan.	77
3.22	Table showing responses related to models.	77
3.23	Table showing responses related to instructions for model lesson observation.	78
3.24	Table showing responses related to skill acquisition of teaching.	78
3.25	Inadequacies of the material.	79
5.1	Table giving the percentage of students scoring eighty or more marks.	103
5.2	Table giving M and S.D. of Theory test scores.	103
5.3	Summary table of ANOVA of pre-test and post-test stimulus variation performance.	106
5.4	Summary table of ANOVA of pre-test and post-test reinforcement performance.	108

Table Number	Particulars	Page Number
5.5	Summary table of ANOVA pre-test and post-test closure performance.	110
5.6	Summary table of ANOVA of pre-test and post-test total performance.	111
5.7	Summary table of ANOVA of pre-test attitude and post-test attitude of student-teachers towards teaching.	114
5.8	Summary table of Correlation Matrix.	119
