

A LIST OF TABLES

	Page No.
1. Self role perception of teacher communicators at D.Ed. levels of education.	64
2. Self role perception of male teacher communicators at D.Ed. levels of education	65
3. Self role perception of female teacher communicators at D.Ed. levels of education.	67
4. Self role perception of teacher communicators at B.Ed. levels of education.	68
5. Self role perception of male teacher communicators at B.Ed. levels of education.	70
6. Self role perception of female teacher communicators at B.Ed. levels of education.	71
7. Self role perception of male teacher communicators at D.Ed. and B.Ed. levels of education.	73
8. Self role perception of female teacher communicators at D.Ed. and B.Ed. levels of education.	74
9. Job satisfaction of teacher communication at D.Ed. levels of education.	75
10. Job satisfaction of male teacher communicators at D.Ed. levels of education.	76
11. Job Satisfaction of female teacher communicators at D.Ed. levels of education.	77
12. Job satisfaction of teacher communicators at B.Ed. levels of education.	78
13. Job satisfaction of male teacher communicators at B.Ed. levels of education.	78
14. Job satisfaction of female teacher communicators at B.Ed. levels of education.	79

	Page No.
15. Job satisfaction of male D.Ed. and B.Ed. teacher communicators.	80
16. Job satisfaction of female D.Ed. and B.Ed. teacher communicators.	81
17. Self role perception as manager and job satisfaction of male teacher communicators at D.Ed. level.	82
18. Self role perception as manager and job satisfaction of female teacher communicators at D.Ed. level.	82
19. Self role perception as manager and job satisfaction of male teacher communicators at B.Ed. level.	83
20. Self role perception as manager and job satisfaction of female teacher communicators at B.Ed. level.	84
21. Role as manager and job satisfaction of teacher communicators at D.Ed. and B.Ed. levels.	84
22. Self role perception as facilitator of learning and job satisfaction of male teacher communicators at D.Ed. level.	85
23. Self role perception as facilitator of learning and job satisfaction of female teacher communicators at D.Ed. level.	86
24. Self role perception as facilitator of learning and job satisfaction of male teacher communicators at B.Ed. level.	86
25. Self role perception as facilitator of learning and job satisfaction of female teacher communicators at B.Ed. level.	87
26. Role as facilitator of learning and job satisfaction of teacher communicators at D.Ed. and B.Ed. levels.	87
27. Self role perception as researcher and job satisfaction of male teacher communicators at D.Ed. level.	89
28. Self role perception as researcher and job satisfaction of female teacher communicators at D.Ed. level.	89

	Page No.
29. Self role perception as researcher and job satisfaction of male teacher communicators at B.Ed. level.	90
30. Self role perception as researcher and job satisfaction of female teacher communicators at B.Ed. level.	91
31. Role as researcher and job satisfaction of teacher communicator at D.Ed. and B.Ed. levels.	91
32. Self role perception as extension workers and job satisfaction of male teacher communicators at D.Ed. level.	92
33. Self role perception as extension workers and job satisfaction of female teacher communicators at D.Ed. level.	93
34. Self role perception as extension workers and job satisfaction of male teacher communicators at B.Ed. level.	93
35. Self role perception as extension workers and job satisfaction of female teacher communicators at B.Ed. level.	94
36. Role as extension workers and job satisfaction of teacher communicators at D.Ed. and B.Ed. levels.	95
37. Self role perception as counsellors and job satisfaction of male teacher communicators at D.Ed. level.	95
38. Self role perception as counsellors and job satisfaction of female teacher communicators at D.Ed. level.	96
39. Self role perception as counsellors and job satisfaction of male teacher communicators at B.Ed. level.	97
40. Self role perception as counsellors and job satisfaction of female teacher communicators at B.Ed. level.	97
41. Role as counsellors and job satisfaction of teacher communicators at D.Ed. and B.Ed. levels.	98
42. Self role perception as educator and job satisfaction of male teacher communicators at D.Ed. level.	99

	Page No.
43. Self role perception as educator and job satisfaction of female teacher communicators at D.Ed. level.	100
44. Self role perception as educator and job satisfaction of male teacher communicators at B.Ed. level.	100
45. Self role perception as educator and job satisfaction of female teacher communicators at B.Ed. level.	101
46. Role as educator and job satisfaction of teacher communicators at D.Ed. and B.Ed levels.	102
47. Difference of self role perception of teacher communicators at D.Ed. and B.Ed. levels.	105
48. Difference of job satisfaction of teacher communicators at D.Ed. and B.Ed. levels.	106
