|                   | ACKNOWLEDGEMENT  | (ii)           |
|                   | CONTENTS   | (iii)          |
|                   | APPENDICES   | (ix)           |
|                   | LIST OF TABLES   | (xi)           |
| I                 | <u>INTRODUCTION</u>  | 1              |
|                   | 1.1 GENERAL BACKGROUND OF THE PROBLEM                      |                |
|                   | 1.2 STATEMENT OF THE PROBLEM                               | 2              |
|                   | 1.3 DEFINITIONS OF TERMS                                   | 10             |
|                   | 1.4 OBJECTIVES OF THE STUDY                                | 11             |
|                   | 1.5 HYPOTHESES OF THE STUDY                                | 11             |
|                   | 1.6 ASSUMPTIONS OF THE STUDY                               | 12             |
|                   | 1.7 SCOPE AND LIMITATIONS OF THE STUDY                     | 12             |
|                   | 1.8 ORGANISATION OF THE STUDY                              | 13             |
| II                | <u>REVIEW OF THE RELATED RESEARCH STUDIES</u>              | 14             |
|                   | II.1 INTRODUCTION  | 15             |
|                   | II.2 REVIEW OF RELATED STUDIES IN EDUCATIONAL TECHNOLOGY   | 15             |
|                   | a) Review of the Related Studies to Multimedia Instruction | 15             |
|                   | Review of the Related Studies in Audio-Visual Education    | 24             |

| Chapter Number | T I T L E   | Page Number |
|----------------|---|-------------|
|                | II.3 REVIEW OF THE RELATED STUDIES IN METHODS OF TEACHING | 32          |
|                | II.4 CONCLUDING REMARKS                                   | 33          |
| III            | <u>PLAN AND PROCEDURE</u>                                 | 35          |
|                | III.1 INTRODUCTION  | 38          |
|                | III.2 METHOD  | 38          |
|                | 2.1 <u>Survey Method</u>                                  |             |
|                | a) Survey, Its Meaning and Definition                     |             |
|                | b) Characteristics of Survey                              | 39          |
|                | c) Types of information to be collected                   | 39          |
|                | d) Kinds of Survey  | 39          |
|                | e) Types of Documentary Studies                           | 40          |
|                | 2.2 <u>Experimental Method</u>                            |             |
|                | a) Experiment and its Meaning                             | 40          |
|                | b) Characteristics of Experiment and Experimental Method  | 41          |
|                | III.3 EXPERIMENTATION                                     | 41          |
|                | 3.1 Research Problem                                      | 41          |
|                | 3.2 Variables in the Experiment                           |             |
|                | a) Dependent Variables                                    |             |
|                | b) Independent Variables                                  |             |
|                | 3.3 Control of the Experiment                             | 42          |
|                | 3.4 The Experimental Design                               | 43          |
|                | 3.5 The Experiment  | 43          |

| Chapter Number | T I T L E                                      | Page Number |
|----------------|--|-------------|
| III.4          | TOOLS USED IN THE PRESENT STUDY                | 45          |
| 4.1            | <u>Interview - Schedule</u>                    | 45          |
|                | a) Meaning and Definition of Interview         | 45          |
|                | b) Characteristic of Interview                 | 46          |
|                | c) Major Objectives of the Interview           | 46          |
|                | d) Merits of Interview Method                  | 46          |
|                | e) Demerits/Limitations of Interview           | 47          |
|                | f) Techniques of Interview                     | 47          |
| 4.2            | <u>Multimedia Package Evaluation</u>           | 48          |
|                | a) Questionnaire                               |             |
|                | b) What is questionnaire                       | 48          |
|                | c) Types of questionnaire                      | 48          |
|                | d) Merits/Advantages of questionnaire          | 49          |
|                | e) Multimedia Package Evaluation questionnaire | 49          |
| 4.3            | Content Achievement Test (Pre-Test)            | 50          |
| 4.4            | Content Achievement Test (Post-Test)           | 50          |
| 4.5            | Lesson Observation Rating Scale                | 50          |
| III.5.1        | <u>Sampling Method</u>                         | 51          |
|                | a) Definition of Sampling Method               | 51          |
|                | b) Advantages of Sampling Method               | 51          |
|                | c) Characteristics of Good Sample              | 51          |

| Chapter Number | T I T L E  | Page Number |
|----------------|--|-------------|
|                | d) Subject Sample  | 53          |
|                | e) Science Sample  | 53          |
|                | f) Educational Technology Experts Sample                           | 53          |
|                | g) Students Sample   | 54          |
|                | III.6 PROCEDURE  | 54          |
| IV             | DEVELOPMENT OF MULTIMEDIA INSTRUCTIONAL PACKAGE                    |             |
|                | IV.1 INTRODUCTION  | 59          |
|                | IV.2 MEDIA   | 59          |
|                | 2.1 Meaning of Media   | 59          |
|                | 2.2 Classification of Media  | 60          |
|                | 2.3 Hardware and Software  | 62          |
|                | 2.4 General advantages of using media in instruction               | 65          |
|                | IV.3 MULTIMEDIA INSTRUCTION  | 67          |
|                | 3.1 Multisensory Approach  | 69          |
|                | 3.2 Multimedia Instructional Kit                                   |             |
|                | 3.3 Multimedia package and teacher's role                          | 70          |
|                | IV.4 DEVELOPMENTAL PROCEDURE OF A MULTIMEDIA INSTRUCTIONAL PACKAGE | 70          |
|                | 4.1 Defining stage   | 71          |
|                | a) Identification of the problem                                   | 71          |
|                | b) Analysis of present setting                                     | 73          |

| Chapter Number | T I T L E  | Page Number |
|----------------|--|-------------|
|                | 4.2 Developing stage   | 73          |
|                | a) Identifying objectives  | 73          |
|                | b) Specification of Methods  | 73          |
|                | c) Decisions about the prototype of Multimedia Instructional Package                             | 86          |
|                | 4.3 Evaluating Stage   | 88          |
|                | a) Test Prototype  | 89          |
|                | b) Implementation  | 89          |
|                | c) Treatment   | 90          |
|                | d) Post-testing  | 90          |
|                | IV.5 CONCLUDING REMARKS  | 90          |
| V              | V.1 INTRODUCTION   | 92          |
|                | V.2 ANALYSIS AND INTERPRETATION OF THE DATA OBTAINED IN CONTENT ACHIEVEMENT TEST                 | 92          |
|                | V.3 ANALYSIS AND INTERPRETATION OF THE DATA OBTAINED IN PRE-TESTING                              | 93          |
|                | V.4 ANALYSIS AND INTERPRETATION OF THE DATA OBTAINED IN POST-TESTING                             | 108         |
|                | V.5 ANALYSIS AND INTERPRETATION OF INTERVIEWS BY SCIENCE TEACHERS                                | 122         |
|                | V.6 ANALYSIS AND INTERPRETATION OF QUESTIONNAIRE BY SCIENCE TEACHERS                             | 126         |
|                | V.7 ANALYSIS AND INTERPRETATION OF TEACHING COMPETENCY MEASURED IN TERMS OF SCORES ON BGTC SCALE | 134         |
|                | V.8 CONCLUDING REMARKS   | 137         |

| Chapter Number | T I T L E  | Page Number |
|----------------|--|-------------|
| VI             | <u>SUMMARY CONCLUSIONS AND TOPICS FOR FURTHER STUDY</u>              | 138         |
|                | VI.1 INTRODUCTION  | 139         |
|                | VI.2 DISCUSSION OF RESULTS   | 139         |
|                | 2.1) The Survey Testing Analysis                                     | 139         |
|                | 2.2 Pre-testing Analysis   | 140         |
|                | 2.3 Post-testing Analysis  | 140         |
|                | 2.4 Pre-over Post Testing Analysis                                   | 143         |
|                | 2.5 Analysis of Gains  | 144         |
|                | 2.6 Regarding Teacher's effectiveness on performance of the students | 146         |
|                | VI.3 CONCLUSIONS   |             |
|                | 3.1 Regarding the fulfilment of objectives                           | 147         |
|                | 3.2 Regarding the Research Hypotheses                                | 148         |
|                | VI.4 SUGGESTIONS FOR FURTHER RESEARCH                                | 149         |
|                | BIBLIOGRAPHY   | 174         |

## APPENDICES

---

| T I T L E |  | Page No |
|-----------|--|---------|
| A)        | CONTENT ACHIEVEMENT TEST   | 151     |
| B)        | CONTENT ACHIEVEMENT TEST   | 153     |
| C)        | INTERVIEW SCHEDULE USED IN THE INTERVIEW OF THE TEACHERS                             | 155     |
| D)        | A QUESTIONNAIRE USED IN THE EVALUATION OF MULTIMEDIA INSTRUCTIONAL PACKAGE IN BOTANY | 157     |
| E)        | A LESSON OBSERVATION SCALE USED IN OBSERVING THE LESSONS                             | 161     |
| F)        | LIST OF PERSONNEL INVOLVED IN THE DEVELOPMENT OF MULTIMEDIA INSTRUCTIONAL PACKAGE    |         |
| G)        | SCORES OBTAINED BY 30 STUDENTS FROM THE CONTROL GROUP IN A CONTENT ACHIEVEMENT TEST  | 167     |
| H)        | SCORES OBTAINED BY 30 STUDENTS FROM EXPERIMENTAL GROUP IN A CONTENT ACHIEVEMENT TEST | 168     |
| I)        | THE SCORES OBTAINED BY 30 STUDENTS FROM THE CONTROL GROUP IN PRE TEST                | 169     |
